## Welcome to a Fantastic Summer Experience!

This summer, students ages 5–15 are invited to join the fun! We are offering several exciting one-week themed camps filled with creativity, learning, and hands-on activities, as well as select three-week camp options.

Families can choose from individual one-week camps or full three-week camp sessions, and camps can be bundled together for those who need care throughout the summer. It's a wonderful opportunity for students to stay engaged, make friends, and enjoy a memorable summer.
